

COACHING BURSARY APPLICATION FORM

OVERVIEW

The Splitz Gymnastics Fundraising Committee is committed to helping the gym become one of Queensland's leading and top quality gymnastics club. To do this, Splitz Gym coaches need to be among the most highly regarded in the state as they are the face of the club and hold its reputation in their hands. As such, the committee has decided to introduce an annual coaching bursary of \$200 to be awarded to one of Splitz Gym's coaches at the annual Awards Night each year. This bursary is to be used to upgrade coaching credentials and expertise and the bursary recipient must meet certain criteria in order to win the funds. All applications will be submitted to the SFC Executive for their decision.
